---

### Guidelines and Rules for Submission

It is the author's responsibility to see that the guidelines and instructions are followed to ensure optimal results. All abstracts must be submitted as a **WORD DOCUMENT** through Cvent when registering for the 2025 K-INBRE Symposium at [http://k-inbre.org/pages/k-inbre\\_symposium\\_reg-info.html](http://k-inbre.org/pages/k-inbre_symposium_reg-info.html)

- **Size.** The entire abstract, including title, author(s), university, department, and text must fit on half a sheet of (8.5" x 11") paper. The body of the abstract may have no more than 250 words, including any footnotes or acknowledgements.
- **Format.** Use an Arial 11 pt. font; set 1" margins on all sides; single space only; *do not* use textboxes, tables, figures or diagrams.
- **Document.** Save your file name as Lastname.FirstName.Univ.AbstractYear (i.e. Frantz.Clare.KSU.Abstract2025)
- **Title.** The title should be brief, clearly indicating the nature of the presentation.
- **Authors.** Include all authors' full first and last names. The presenting author's name should be listed first. Include all authors' department and university affiliations. If there are multiple authors with multiple affiliations (i.e., universities/departments) indicate affiliations according to the sample below. Sample title and authors:

#### **Measurements of neurochemistry and behavior of transgenic Huntington's disease model rats using microdialysis and force-plate actometry**

Selley, Patrick,<sup>1</sup> Gregory L. Osterhaus,<sup>1</sup> Kelli Lauderdale,<sup>1</sup> Stephen C. Fowler<sup>2,3,4</sup>,  
Stephan Von Hörsten,<sup>5</sup> Otto Riess<sup>6</sup> and Michael. A. Johnson<sup>1,2</sup>

<sup>1</sup>Department of Chemistry and R. N. Adams Institute for Bioanalytical Chemistry,

<sup>2</sup>Neuroscience Program, <sup>3</sup>Department of Pharmacology and Toxicology, <sup>4</sup>Schiefelbusch Institute for Life Span Studies, University of Kansas; <sup>5</sup>Section for Experimental Therapy,

Friedrich-Alexander University of Erlangen-Nürnberg, Erlangen, Germany and

<sup>6</sup>Department of Medical Genetics, University of Tübingen, Tübingen, Germany

- **Deadline: Submit your abstract by December 2, 2024 by 5:00 pm. Abstracts received after the deadline will not be accepted.**
