

K-INBRE Award Agreement

K-INBRE Administration,

By accepting this award, I agree to the following terms.

Upon request, I will provide an update of my progress including:

- Information on NIH applications submitted or funded as a consequence of this K-INBRE award;
- Publications or presentations resulting from this award;
- Collaborations resulting from the award;
- Any follow-up information requested to satisfy NIH's requirements.

When K-INBRE funds have supported my research publications and presentations I will acknowledge the K-INBRE grant regardless of the time period between receipt of funding and publication/presentation. For these acknowledgements I will use the grant number **P20 GM103418** or one of the following statements as appropriate:

"This project was supported by an Institutional Development Award (IDeA) from the National Institute of General Medical Sciences (P20 GM103418) from the National Institutes of Health," as well as the statement that "Its contents are solely the responsibility of the authors and do not necessarily represent the official views of NIH."

Or

Supported by the Kansas INBRE, P20 GM103418.

I will comply with the NIH Public Access Policy. Effective April 7, 2008, the NIH Public Access Policy will ensure that the public has access to the results of NIH funded research. Peer-reviewed articles accepted for publication on or after April 7, 2008, that resulted in whole or in part from NIH-funded research must be submitted to PubMed Central (PMC) repository upon acceptance for publication. More detailed information about the NIH policy, copyright, and other resources are available online at <http://publicaccess.nih.gov/policy.htm>, <http://www2.kumc.edu/copyright/NIHPublicAccessPolicy.html>, and http://www.rcr.ku.edu/nih_public_access_policy.

I understand that an account will not be established until this form is signed and returned to the K-INBRE Administrative Office.
